

At our Low-Risk Maternity Clinic, we understand the physical and emotional changes that come with pregnancy. Our team of experienced family physician specializes in obstetrics and delivers babies at the Misericordia Community Hospital.

We coordinate prenatal appointments so you can meet all our physicians before delivery, ensuring there's always a familiar face in the delivery room.

## REFERRAL PROCESS

---

EWPCN physician members or clinicians can refer patients by using the EWPCN Main Referral Form. Patients have the option to book appointments either in-person or virtually through secured video or telephone.

Self-referral is also available by contacting the EWPCN Central Office.

Call us if you have any questions about EWPCN's programs and services.

In-person appointments occur at  
**Edmonton West Primary Care Network**
