

Our Lower Leg Assessment clinic provides comprehensive assessments for lower leg conditions, peripheral vascular disease and minor wound care. Our nurse will work with the patients' family physician to develop a treatment plan to prevent further complications.

TEAM MEMBERS

- Lower Leg Assessment Clinic Nurse
- Referring EWPCN Family Physician

IN-SCOPE

- A person at any age, who meets the referral criteria
- Lower leg edema
- Acute or chronic wound care
- Comprehensive lower leg assessment
- AADL stocking and footwear authorization

OUT-OF-SCOPE

- Acute post-surgical wounds
- Wounds with exposed bone or tendon
