

Our pharmacy team works with patients to better understand their medications and recommend therapeutic management to optimize health. The team collaborates with patients, clinical staff, and physicians, to develop patient-centred health care plans and follow up to support the achievement of patients' desired health outcomes.

We can support your clinic with:

- Health assessments
- Chronic disease management
- Anticoagulation management
- Comprehensive medication assessments
- Hospital to home transitions of care
- Deprescribing

TEAM MEMBERS

- Pharmacists
- Referring EWPCN Family Physician

Call us if you have any questions about EWPCN's programs and services.

In-person appointments occur at
Edmonton West Primary Care Network

#124 Meadowlark Health and Shopping Centre
156 Street and 87 Ave, Edmonton, AB T5R 5W9
Phone: 780-443-7477 Fax: 780-481-9149
www.ewpcn.com

IN-SCOPE

- Non-urgent referrals
- Medication related questions and concerns

OUT-OF-SCOPE

- Urgent referrals

REFERRAL PROCESS

EWPCN physician members or clinicians can refer patients by using the EWPCN Main Referral Form. Patients have the option to book appointments either in-person at EWPCN, virtually via telephone or virtually via secured video.
